

Four Ground Rules

- 1) Communicate a couple times a week
- 2) Give tasks for each of us to complete
- 3) Constructive feedback
- 4) Time efficient

Three things that I DON'T want to happen

- 1) Failure to communication
- 2) Lack of effort
- 3) Procrastination

I function best in groups when everyone communicates well

I really hope our group can communicate and get the assignments done in a timely manner
